ON Threatens to Use Force in the Congo

BY PATRICK MASSEY
LEOPOLDVILLE, the Congo
(AP)—The U.N. Congo command
threatened force against Con-
goese troops in Leopoldville to-
day following a wave of attacks
against U.N. personnel including
what was termed a bestial attack
against a woman.

Violence against off-duty per-
sonnel broke out Sunday night and
early today in the jittery atmos-
phere arising from the advance
of Lumumbist troops toward the
capital.

A statement issued by the U.N.
command said these attacks can-
not be tolerated and will be re-
sisted "with full force."

The attacked woman was a
member of the U.N. civilian staff,
the spokesman said. He said she
was being driven home by an un-
armed U.N. Sudanese officer Sun-
day night when the car was
stopped by soldiers on a highway
some distance outside Leopold-
ville.

Two Congolese armed with sub-
machine guns climbed into the
car and ordered the officer to
drive to nearby Camp Reisdorf
army post.

On the way the soldiers ordered
the officer to drive in a bush area
where other soldiers were wait-
ing.

The woman was forced out of
the car. The soldiers assaulted
her while the officer was made
to look on with a submachine gun
jabbed into his stomach.

"It was a bestial assault," a
U.N. spokesman said.

When the couple was released
they took shelter in the home of
a Belgian engineer.

In another reported incident
four unarmed U.N. Canadian
troops in a jeep were halted by
Congolese troops near a scenic
monument overlooking the Congo
River.

They allegedly were ordered to
take off their shoes and run for
a mile over rocky ground while
the Congolese beat them with
rifle butts.

The leftist troops heading unop-
posed toward Leopoldville posed
a threat to both the central Congo
government and the future of the
U.N. Congo operation.

The intentions of the rebel force
from Stanleyville which backs the
late Patrice Lumumba's regime
in the northeastern Congo are un-
clear. Half the country now is be-
lieved under Lumumbist control.

The military column of about
500 men has met no resistance so
far from either U.N. or central
government soldiers. Most of
Maj. Gen. Joseph Mobutu's gov-
ernment troops are hundreds of
miles north in Equatorial Province,
asked by the U.N. command to
hold up their own planned inva-
sion of rebel-dominated territory.

Slated to arrive amid this new
uncertainty is G. Mennen Wil-
lams, U.S. assistant secretary of
state, who comes here on a five-
day visit planned weeks ago.

His party of 19 was to go di-
rectly from Leopoldville Airport
to a private briefing by U.S. Am-
bassador Clare H. Timberlake.
Williams is to talk Tuesday with
President Joseph Kasavubu and
Premier Joseph Ileo, then meet
Rajeshwar Dayal of India, head
of the U.N. Congo mission.

The way Dayal has handled his
job has created expressions of an-
ger and mistrust among Con-
goese loyal to the Kasavubu gov-
ernment.

The Kasavubu regime has ac-
cused the United Nations of two-
faced dealing with the rival Leo-
poldville and Stanleyville regimes.

The complaint is that the U.N.
command has persuaded Mobutu
to send his army against Stan-
leyville, yet does nothing to stop
Stanleyville troops on the march.

Amendment Study Planned Tonight

LITTLE ROCK (AP)—A study
of 34 proposed amendments to the
Arkansas Constitution will begin
tonight at a hearing by the House
Committee on Constitutional
Amendments.

The Senate Committee on Con-
stitutional Amendments is sched-
uled to meet Tuesday to consider
five proposals originating there.

The General Assembly can re-
fer a maximum of three meas-
ures to a vote by the people. Any
other amendments going on the
general election ballot must be in-
itiated by petition.

Proposed amendments must re-
ceive a majority vote in both
chambers.

Two of the proposals submitted
are administration measures
mentioned by Gov. Orval E. Faubus
in his inaugural address. One is
an anti-integration proposal; the
second would permit the consti-
tution to be amended more
quickly than can now be done.

Wiretapping Is Evidence, Rules Supreme Court

WASHINGTON (AP)—The Su-
preme Court today decided wire-
tap evidence may be used in
criminal trials in state courts.

The court ruled in a case from
New York, where the state's con-
stitutions and statutes permit po-
lice wiretapping if authorized by
a state supreme court justice.

Wiretap evidence is barred in
federal courts.

The high tribunal's decision was
announced in an unsigned order.

Justice Douglas wrote a dissent
in which Chief Justice Warren
joined. The court's vote thus was
7-2.

The court's order noted that the
judgment of the federal courts in
New York was affirmed on the
authority of two earlier decisions
by the U.S. Supreme Court in
other wiretap cases.

Justice Brennan noted that while
he agreed with the affirmation, he
thought it should be based on only
one of the earlier decisions rather
than both.

Judgment of the federal courts in
court on an appeal by Burton N.
Pugach, a Bronx attorney accused
of wiretapping.

The issue came before the high
tribunal because the tribunal block
use of wiretap evidence in his
trial.

Boy Chained,
Pair Held at
Hot Springs

HOT SPRINGS, Ark. (AP)—
Charges of child neglect and
cruelty are to be filed today
against a race track groom and
his wife who allegedly chained
their 14-year-old son in a stable
Saturday to keep him from run-
ning away.

Garland County Judge Henry
Murphy said the parents would
appear in juvenile court Tues-
day.

Mrs. Leila Womack, juvenile pro-
bation officer, placed the boy in
a children's home pending the
hearing.

The family was living in a
boarded-up truck in which they
had traveled over the country
while the father looked for work
at various racetracks. They have
two girls, ages 13 and 16, and
another boy, 11.

The 14-year-old youth straggled
into a fire station late Saturday
with a chain a little larger than a
dog leash attached to his ankle.
Firemen tried to loose, fed him,
and called police.

Officers said the mother told
them the boy had run away be-
fore and he had been chained in
an anteroom of an abandoned
stable in the shadow of the race-
track so he would not leave again.

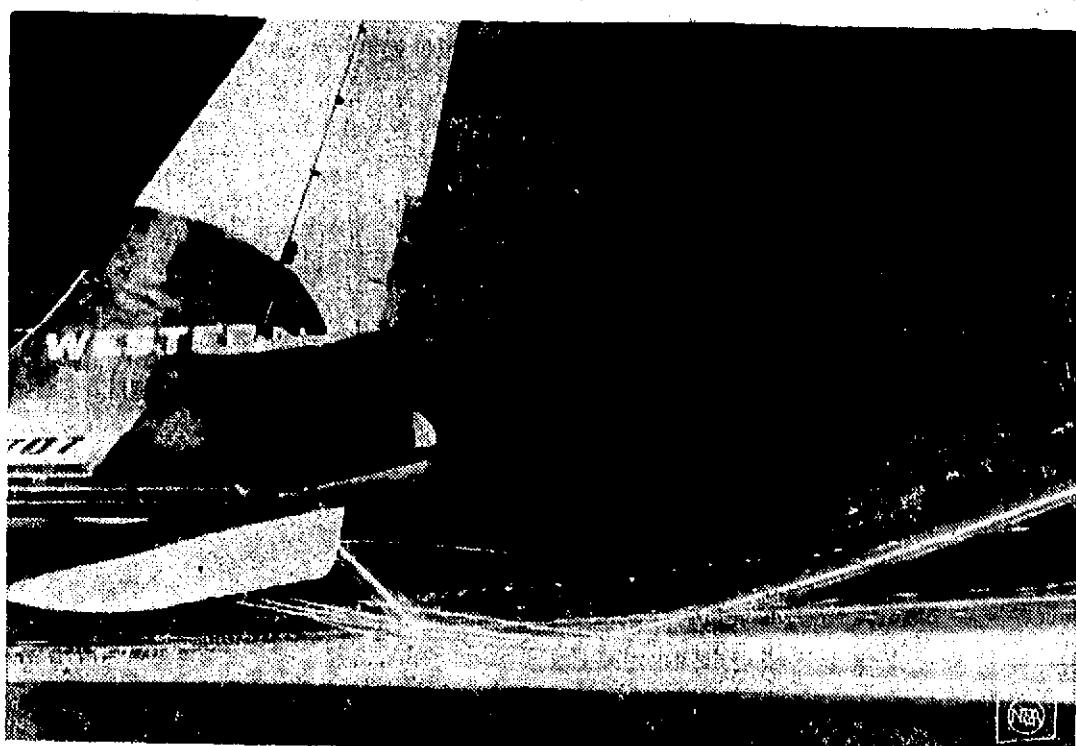

The boy broke loose, he said,
because he was hungry.

Mrs. Womack said he did not
appear to be abused in any other
manner. He attended Sunday
school with Mrs. Womack Sunday
after spending Saturday night at
her house. Sunday School classes
donated money to buy clothes and
shoes for him. He wore home-
made shoes when he entered the
fire station.

Police said the family's other
three children apparently had not
been abused.

They said the family came to
Hot Springs two weeks ago for
the racing season and were living
in the truck, parked near the
abandoned stable.

The mother said there was a
heater in the stable and the boy
had been chained near it so he
could keep warm.

Missing Child,
4, Is Found
Murdered

NEW YORK (AP)—The search
for pretty little Edith (Googie)
Kiecorius is over.

Another has taken its place—a
nationwide manhunt for the mur-
derer of the 4-year-old girl.

Edith's half-elad, bruised body
was found Sunday in a shabby
rooming house only hours after
her widowed mother had prayer-
fully insisted, "No one can hurt
such a beautiful child."

A medical examiner said Edith
apparently had been beaten to
death but an autopsy was ordered
to determine the exact cause. The
girl was sexually assaulted. The
examiner approximated the time
of death as last Wednesday—the
day the child disappeared from
in front of her uncle's home just
two blocks away.

Accompanying the nationwide
alarm was a description of the
loathless, middle-aged man who
rented the room Feb. 17 and was
last seen an hour before the child
vanished. Police said the man
registered at the drab West Side
rooming house under the name
Fred Thompson. He was described
as about 50 to 55 years old, 5
feet, 3 inches tall and weighing
140 to 150 pounds.

Edith, her mother, Mrs. Alvino
Kiecorius; her grandmother,
Frances Duclot, and her brother,
Albin, 10, were visiting her uncle,
Manuel Duclot, at his Eighth
Ave. home when she disappeared.

A \$300,000 Judgment Is Upheld

By JOHN R. STARR

LITTLE ROCK (AP)—A \$300,000
libel judgment against Dun &
Bradstreet financial reporting
service for damages caused by
publication of an erroneous report
on a Springfield produce firm was
upheld by the Arkansas Supreme
Court today.

The judgment was awarded to
Joe Robinson, owner of the Robi-
nson Produce Co., in Washington
Circuit Court.

The record shows that on March
3, 1958, Dun & Bradstreet in one
of its regular letters to subscrib-
ers published that the Robinson
company reportedly had dis-
continued its business. The next
day in another report Dun &
Bradstreet said the business was
continuing.

Robinson filed suit contending
that publication of the first report
damaged his credit and cost him
customers.

Dun & Bradstreet's defense was
that its report was basically true
since it had said merely that the
business reportedly was being dis-
continued.

Dun & Bradstreet also contend-
ed that, since its report went only
to subscribers it was privileged
and not subject to a libel action
unless Robinson could prove
malice.

The Supreme Court held that it
was not necessary for Robinson
to prove malice; that he had only
to show he suffered damages.

In another Washington County
case, the Supreme Court affirm-
ed a decision dismissing a com-
plaint filed by P. H. Burnett
against J. P. Palmer.

The record shows Palmer leased
property to Burnett, who operated
a quick car wash on it.

After the car wash firm got into
financial difficulty, Palmer sued
Burnett for rent due and got a
judgment placing the property in
his hands for disposal.

Palmer paid off most debts of
the firm but he did not pay one
owed to the First National Bank
of Fayetteville.

The bank got judgment
against Burnett for this debt and
Burnett filed suit against Palmer
seeking to make him pay it. The
Circuit Court held that Palmer
was not liable and the Supreme
Court agreed with this view.

The Supreme Court reversed a
Union Circuit Court decision
awarding \$1,400 to W. H. Linx-
wiler III, for injuries suffered
when he was accidentally shot in
the throat by an employee of the
El Dorado Sports Center, an all-
night bowling alley.

Linxwiler and his father, W. H.
Linxwiler Jr., appealed the judg-
ment on grounds that it was too
small.

The trial court refused to award
damages for medical expenses to
the father. The Supreme Court
said these came to \$875 and the
father was entitled to some re-
covery.

Young Linxwiler was shot by
Lavelle Parker, who was showing
the youth a pistol which a police-
man had checked at the bowling
alley.

The Supreme Court remanded to
Pulaski Probate Court a suit
over the \$100,000 estate of Ward
M. Black, a druggist who left his
store, worth \$75,000 to Cecil Mor-
ton, an employee.

Morton and others produced a
will several months after the
death of Black in which Black left
\$25,000 to various relatives and the
bulk of his estate to Morton.

The trial court refused to per-
mit testimony about a typewriter
on which the will allegedly was
written. The Supreme Court sent
the case back with instructions to
consider the matter of the type-
writer.

Legislature in Last 10 Days With Retirement, Building, Truck Bills to Be Decided

LITTLE ROCK (AP)—The 64th
Arkansas Legislature enters its
home stretch today. In the final
10 days it is expected to pass an
ambitious building program set
out by Gov. Orval E. Faubus and
iron out the teacher retirement
and truck weight increase contro-
versies.

The teacher retirement issue
has been slanted aside in the
legislature for three weeks while
Faubus negotiated with the Ar-
kansas Education Association on
the matter. Each held different
viewpoints on how much the state
should contribute.

Last week, the AEA turned
down two compromise offers and
prepared to battle Faubus in a
test of strength on the House floor
Tuesday. Legislators will study
and vote on three retirement bills
—including duplicate measures to
effect a 9.72 per cent plan backed
by the AEA and a House bill to
effect Faubus' 5 per cent plan.

Faubus says the state should
contribute 5 per cent of a teacher's
salary to retirement so the
teachers can get an immediate
pay raise. The AEA says the
amount should be 9.72 per cent
and a lower state contribution

would wreck the retirement sys-
tem.

The controversial truck weight
bill was scheduled to come up last
Friday but Perry Rep. Paul Van
Dalsen blocked it with a filibuster.
Backers of the bill to increase
truck weights probably will have
to get it made a special order of
business to get a vote this week.

The legislature is expected to
push Faubus' proposed \$75 million
construction program through this
week. Then a special election
would be set for the people to ap-
prove it. Faubus outlined the pro-
gram before a joint session last
week and half a dozen bills are
pending, including one to autho-
rize a vote on a \$60 million con-
struction bond issue.

It is the most ambitious build-
ing plan ever undertaken by an
Arkansas governor. If the people
approve the full \$60 million in
bonds, to be paid by existing re-
venues without raising taxes, the
state would almost double its
bonded indebtedness. The plan
would raise the state debt from
\$69,530,000 (\$36.93 per person) to
\$139,030,000.

Pair Held in Death of a Texan

NEW YORK (AP)—FBI agents
have arrested a man and a wom-
an wanted in Houston, Tex., for
questioning in connection with the
slaying of a real estate dealer.

The agents picked up the couple
on a charge of driving the dead
man's stolen car from Houston to
New York.

Arrested were Leslie Douglas
Ashley, 23-year-old professional
female impersonator, and Caro-
lyn Ann Lima, 19. Officers said
Ashley was attired in women's
clothing when the two were pick-
ed up at a rooming house in Man-
hattan.

The pair is wanted for question-
ing in connection with the pistol
slaying of Ted Tones in Houston
last Feb. 6. The man's body, with
six gunshot wounds, was found in
a grass fire and was burned al-
most beyond identification.

A federal warrant was issued
charging Ashley and the Lima
girl with stealing Tones' car and
driving it across a state line. The
car was found abandoned in New
York last Wednesday.

Ashley was born in Hot Springs,
Ark. The Lima girl was born in
Houston.

Thinks Kennedy
Man of Destiny

WASHINGTON (AP)—House
Speaker Sam Rayburn, D-Tex.,
says he thinks former President
Dwight D. Eisenhower "is a good
man" and was "a great general,"
but that 40 years in the Army
didn't prepare Eisenhower to be
president.

Rayburn, however, said Presi-
dent Kennedy was "already a
young man of destiny" who will
make a good president.

The comments came Sunday on
a television-radio interview—CBS-
Washington Conversation—as Ray-
burn appraised presidents he has
known during 48 years in Con-
gress.

Kennedy, the House speaker
said, already has demonstrated
"that he can make decisions, and
make them quick enough, and af-
ter proper consideration, and then
stand by them. I think he is going
to make a solid president."

Rayburn said Kennedy was "al-
ready a young man of destiny" who
will make a good president.

Alligators, Snakes in Flood Area

HATTIESBURG, Miss. (AP)—
While the new floods threatened
some residents of Mississippi,
those evacuees who were able to
return to their homes warily
watched for alligators and poison-
ous snakes that spilled out of
rivers and streams.

The new threats took in Missis-
sippi's capital city of Jackson
where the Pearl River is ex-
pected to crest Tuesday night or
Wednesday morning around 34
feet, 16 feet above flood stage.

Gov. Ross Barnett, in asking
President Kennedy to declare
flood-stricken sections of Missis-
sippi major disaster areas eligi-
ble for federal aid, said the flooding
has caused "property damage,
hardship and suffering so severe
and extensive in scope as to go
beyond the capabilities of the
state and local governments to
alleviate."

There were about 70 medical
cases in 11 shelters at Hattiesburg
where more than 3,000
evacuees were received. Most of
the sick were cold or respiratory
illnesses, but a Red Cross official
said those with chicken pox,
measles, mumps and other seri-
ous illnesses had been isolated
and there was no threat of epi-
demic.

A Civil Defense official warned
those residents who were able to
return to their homes to be on
the lookout for reptiles that seek
shelter in buildings from the flood
waters.

Brick Firm to
Dedicate Plant

MALVERN, Ark. (AP)—The

Hub Hill of Dallas, Tex., chair-

addition will enable the company
to double its output — up to 20-
000 bricks an hour.

The operation will be constant.
The old kilns have to be shut down
for four or five days at a time
ever three or four weeks.

Hill and other officials of Acme
came here for the dedication.

Swollen Rivers Pour Over the Southland

By THE ASSOCIATED PRESS

Swollen rivers continued to pour
over a stricken Southland today,
where 10,000 or more persons
have been left homeless.

Damage from week-long floods
in Alabama, Georgia and Missis-
sippi will run into millions of
dollars.

The Red Cross began establish-
ing an emergency field disaster
headquarters at Montgomery for
flood victims.

At least 12 persons have died
in Southern flood waters caused
by torrential rains which lasted
most of last week.

Stricken areas at a glance:

Alabama — Montgomery and
central Alabama worst hit. At
least 3,240 evacuated, including
about 1,500 at Montgomery and
700 at Selma. Alabama River at
Montgomery reaches record level
of more than 24 feet above flood
stage. Gov. John Patterson to ask
for federal disaster relief.

Mississippi — Hattiesburg worst
hit with 3,000 refugees. About 5,000
evacuated in state. Damage esti-
mated up to \$10 million. Gov. Ross
Barnett appeals to President Ken-
nedy to declare flooded areas ma-
jor disaster area. Leaf River re-
ceding slowly at Hattiesburg.

Georgia — Columbus and West
Point on Chattahoochee River at
Alabama line suffer most damage.
Police at Columbus estimate 1-
000 evacuated. About 340 evacu-
ated at West Point. Chattahoochee
receding slowly.

The program would provide

While the building program is
likely to sail through without serious
opposition, the increase in

serious challenges. The Arkansas

Arkansas Farm Bureau Federal
Saturday announced their opposi-
tion to the measure that would
increase load limits by about 8-

"They said Arkansas' highways

Convictions of Contempt Are Upheld

WASHINGTON (AP)—Splitting
5-4, the Supreme Court upheld to-
day the contempt convictions of
two critics of the House subcom-
mittee on un-American activities.
Both refused to answer questions
concerned with Communist activi-
ties.
The high court's close division
turned chiefly on the question of
whether Frank Wilkinson of Los
Angeles and Carl Braden of
Louisville, Ky., were subpoenaed
in 1958 because they were critics
of the group or because of reason
to believe they had knowledge of
Communist activities.
Wilkinson is field secretary for
the National Committee to Abolish
the House Un-American Activi-
ties Committee. Braden is an
advocate of racial integration who
has been critical of the commit-
tee. Both were sentenced to a
year's imprisonment after con-
viction of contempt of Congress.
Justice Stewart wrote the ma-
jority opinion in each of the
cases, and said he could not find
on the record that a subcommit-

GE President Announces Retirement

TROY, N.Y. (AP) — Robert
Paxton has retired as president of
the General Electric Co., the Troy
Record Newspapers reported to-
day.
The newspapers said the reason
given was ill health. Paxton is
recovering "out of the country"
from a major operation in Jan-
uary, it was reported.
The report comes on the heels
of the company's conviction in a

price-rigging conspiracy with oth-
er firms.
Ralph Cordiner, chairman of G.E.
board, will act in a dual capacity
as chairman and president until
a new president is elected, the
newspapers said.
They said that the New York
City offices of GE also told them
Cordiner would retire as chairman
of the National Business Ad-
visory Council. Pressure of other
duties was the reason given.

JFK Banking on Upturn in Economy

By JACK BELL
WASHINGTON (AP)—President Kennedy has told leading congressional Democrats he is banking on an upturn in the economy to hold next year's budget deficit to \$1.5 billion.

The President has been told by his economic advisers that the deficit in the current year ending June 30 now is expected to reach \$1.5 billion instead of the \$79 million surplus former President Dwight D. Eisenhower predicted in January.

Eisenhower's estimates were based, among other things, on a proposed boost of around \$800 million in postal rates. While Kennedy is requesting a similar increase, he is said to have little hope that Congress will act on the matter this year.

Kennedy's hope of holding down next year's red ink spending is reported to be based on the belief of administration officials that business will pick up about mid-year and provide revenues at a faster pace than they are now coming into the Treasury. Kennedy is represented as trying to avoid any spectacular increases in spending at this point.

Memory of Father Haunts Little Girl

By HELEN WORDEN ERSKINE

Dear Helen:

I am 12 years old and afraid of someone that is dead. My father died two years ago. He loved me very much. I think he is haunting me. I know it's my imagination and I do try to stop being afraid but I can't. — Genie

Dear Genie: We know so little about life after death but of this you can be certain — a loving father would never frighten his little girl. Impress that on your consciousness. Every time fear creeps in, dispel it at once by remembering all the kind things your father did or said to show his love for you. Rest assured, if he is with you in spirit, it is to help, not harm you.

Dear Helen:

I have to be man and woman in our home. I do all the worrying about house rent, light and fuel bills and how we're going to pay the grocer and butcher. We are both 31 but from the way he acts you'd think he was 12. I've talked to him, his family has talked to him but we might as well be talking to the wind. I'm sure I'd do better by myself. What do you think? — C. S.

Dear C. S.: To walk out on your marriage is to be as irresponsible as your husband. When you married, you took certain vows. It is your duty to set your husband an example by living up to them. Send a stamped, self-addressed envelope for my leaflet, "Financial Troubles."

Dear Helen:

I am 17, a junior in high school and get better than average grades. I love my mother but often wonder if she loves me. Time and again I cry myself to sleep because of what she says to me. She buys me nice clothes and most of the things I want but I don't know what trust and understanding are. She yells at my friends and hits the ceiling if I so much as invite a boy in to listen to records like my girl friends' mothers let them do. I hope you publish this letter for my mother reads your column every day. — Sugar "2"

Dear Sugar "2": A wise moth-

But he is said to be having difficulty in fitting his program of accelerated missile production and a stepup in air lift capacity within the pattern of a nearly balanced budget.

Eisenhower estimated defense outlays at \$42.9 billion in the year beginning July 1. There are clear signs that Kennedy intends to raise that figure.

The Council of State Chambers of Commerce recommended Sunday that Congress should slice \$3.4 billion from Eisenhower's fiscal 1962 budget instead of adding any new spending. It hit at what it called panicky anticongress efforts and called on Congress to reduce both spending and taxes.

Ike Terms Statement Regrettable

By GEOFFREY GOULD

WASHINGTON (AP)—Former President Dwight D. Eisenhower Sunday night disavowed as inaccurate and regrettable a fellow Republican's statement that Eisenhower is critical of the direction President Kennedy's administration is taking.

Sen. Karl E. Mundt, R-S.D., talked with Eisenhower for an hour recently at his Palm Springs, Calif., vacation spot. In a news letter he sends to constituents, Mundt Sunday gave his impression of Eisenhower's views.

"He is critical of the tendencies thus far evidenced by the JFK

administration—too much left of center; too partisan; too slanted toward programs supported by union bossism," Mundt wrote.

Minding no words, Eisenhower issued this disavowal through a secretary:

"Sen. Mundt's statement as reported to me Sunday evening does not accurately describe either my views on public affairs or my personal plans, and I very much regret its issuance.

"The senator evidently intended to repeat in detail our private and purely social conversation, but his recollection of the many subjects mentioned and his interpretations differ markedly from my own.

"Especially I regret the assessment attributed to me of the performance of my successor and his administration, on which subject I have formed no judgment.

"Moreover, I have always directed my public criticism to

Three Die in Motel Near Harrison

By THE ASSOCIATED PRESS

Three Harrison residents — two women and a man — were found asphyxiated in a motel at Bull Shoals Lake near Harrison Sunday. Another man was in serious condition from the gas fumes.

The three deaths brought to 13 the number of accidental deaths in Arkansas in the week ending at midnight Sunday.

Eight died in traffic accidents, one by fire and one in an industrial accident.

Sheriff Doyle Hickman said Lloyd W. Henderson, 23, died in the fume-filled motel room along with Miss Maxine Bass, 18, and Mrs. Barbara Jean Jackson, 30. Hospitalized was Utah Cavender, 28.

The motel owner, Floyd Ballew, said he found butane gas leaking from the door of the motel, shut off the gas and entered the cabin to find it filled with fumes. Ballew said the two couples checked into the motel early Sunday morning and asked to be called several hours later.

Dr. Ulysses Jackson, the coroner, ruled death due to asphyxiation. He said no inquest would be held.

Elmer Nixon, 68, of Lavaca, died Saturday of injuries received when his car went out of control and crashed into an embankment on state Highway 23 three miles south of Caulksville.

Sherry Lynn Tucker, 23, of Altheimer, was killed and eight persons were injured in a car-truck collision on U. S. Highway 79 about two miles south of Pine Bluff Saturday.

Mrs. Silas Reed, 49, of Rector, was injured fatally in a car-truck collision on state Highway 90 about four miles northwest of Rector. Two persons were injured.

Plans and programs—never to individuals. While in that conversation and on prior occasion I have expressed opposition to certain of the pledges in the platform adopted in Los Angeles, I have likewise expressed the earnest hope of every loyal American that the future actions of the new administration will promote the overall welfare of the United States."

Mundt could not be reached Sunday night for comment on Eisenhower's statement.

The Mundt news letter also said Eisenhower was disturbed by Kennedy's statements that the economy is in trouble.

Comet is one of the least expensive compacts you can own! These are the facts. Comet costs less when you buy—up to \$331* below other compacts. Comet gives you high resale value—up to \$546* more than other compacts. That's why it pays to own a Comet. But that's not all. Comet has fine-car features, too.

It's the first family-size compact. Longer wheelbase—up to 7.5" longer than other compacts—means more Comet room, not only in pleasurable comfort-for-six seating but in over 28 cu. ft. of trunk space—up to twice as much as other compacts.

Comet's big-car ride is the comfort difference. Extra length also contributes to Comet's road-leveling ride. The refined new suspension and easier-action springs give Comet a better ride than many standard cars. And you'll find Comet turns, parks and handles almost as easily as a tricycle!

Talk about economy and you're talking Comet. To save on gas, choose either of Comet's two thrifty engines. You change Comet oil only every 4,000 miles, get 10% better tire mileage, save on licenses and insurance. And Comet's super-enamel finish won't cost you a cent for waxing—never needs it!

Lasting quality, even where it doesn't show. Comet is quality, inside and out. Unit-built to keep quiet, stay sturdy and durable, Comet also has rustproofed vital underbody parts, complete soundproofing and an aluminum muffler.

Mickey Faces Challenge to Lead Yanks

By MIKE RATHET Associated Press Sports Writer

New York Yankees big slugger Mickey Mantle, 29, trotted out for a spring training workout today faced with the new challenge of becoming the American League champions' "take-charge guy" after a 10-year baseball career in which he has shunned the spotlight.

The reticent center fielder, who hit .275 while smashing 40 home runs and collecting 94 runs batted in last season, was thrust squarely into the position Sunday when new manager Ralph Houk brought up the subject.

"Mantle could be the leader of the ball club," Houk said. "He has reached the point in his career where that's possible. I'm going to try to bring that out in him. I talked with him when he signed last month and I'll talk to him some more."

Houk said that didn't mean the switch-hitting outfielder would officially be designated captain, a post the Yankees have kept vacant since the late Lou Gehrig retired.

Manager Danny Murtaugh of the world champion Pittsburgh Pirates faced the day with all hands on deck and the annual contract squabbling ended by the signing of first baseman Dick Stuart.

Also agreeing to terms as the list of unsigned major leaguers continued to dwindle was little Nellie Fox, Chicago White Sox second baseman.

At Vero Beach, Fla., the Dodgers' new addition became one of the first to get the heavy-hitter when minor league umpire Jim Duncan of the Midwest League thumbed him out for heckling from the coaches' box.

The "rookie?" Leo Durocher! and released.

Coming and Going Mrs. Dodie Colbert left Feb. 23 enroute to Denver, Colo. to visit her daughter, Mr. and Mrs. John Stovall.

CONGO CONTRASTS—Jean Bolikango, Congolese political leader, wears a snake in Leopoldville. As he arrived to address tribesmen, the reptile was draped on his neck by tribal elder as a symbol of welcome. Contrast that custom with a young radio reporter in the same city who uses a tape machine to record her on-the-spot comments from ceremonies surrounding promotion of strongman Joseph Mobutu from colonel to major general.

WHAT EVER HAPPENED TO BABY JANE

Trembling, Edwin moved back from the door and reached out a hand to the wall. For a moment he was beyond any further movement or speech. It was a nightmare past all imagining, the sudden glimpse of that pallid, wasted face with its streaming, sunken eyes, its matted white hair, its bluish, lifeless lips pulled back upon the teeth in a horrible grimace of pleading. And the twisted, emaciated body in its tangle of nightdress. And the dry, whispering voice . . . the voice of a dead person . . . or of someone close to death.

He could not have looked at her another moment. Footsteps sounded behind him, and he looked to see Jane Hudson emerging from the shadows.

"I couldn't trust her," she said unevenly. "I've taken care of her all these years - all these years . . . and she only wanted - she wanted to get rid of me - she wanted to get rid of me - she wanted to get rid of me . . . it's only for a few days more - until tomorrow - or the next day . . ."

Bonnies Shake Off Jinx, Grab an NCAA Rid

By ED WILKS
Associated Press Sports Writer

Ohio State still is the No. 1 team in the nation, and no doubt about it. But the Buckeyes have to give up some of the spotlight to Niagara, the No. 1 team of the moment in college basketball.

It was the Purple Eagles, coached by nice guy Taps Gallagher, who snubbed a jinx and surely drew a nod from the National Invitation Tournament by upsetting second-ranked, NCAA-bound St. Bonaventure 87-77 Saturday.

The Bonnies had won 12 in a row and had lost only to unbeaten Ohio State, the weekly unanimous first-place choice in The Associated Press poll, by a mere two points 84-82 in the Holiday Festival in New York.

Not only did Niagara whomp the Bonnies by 10 points, but they did it in St. Bonaventure's cozy home court at Olean, N.Y.—where the Bonnies had put away 99 consecutive victories. St. Bonaventure hadn't lost in 13 years and 13 days at home, and it was the same Gallagher and Niagara that last came out a winner there.

With Niagara (15-4) waiting at the telephone for a call from the NIT to fill one of the four berths remaining in the March 16-25 tourney at Madison Square Garden, the post-season tournament picture is much closer to completion.

Temple (10-5) agreed to its fourth trip to the NIT Sunday, after beating Villanova 79-69 in a Philadelphia doubleheader, that also sent St. Joseph's into the NCAA as Middle Atlantic Conference representative after the Hawks had downed Muhlenberg 81-72.

Kansas State (18-4) of the Big Eight and Texas Tech (14-8) of the Southwest can nail automatic NCAA tickets tonight. And by week's end, Ohio State (22-0) should have stretched the nation's longest streak through 28 games for another Big Ten title and a long ago conceded right to defend its NCAA title.

The week also will determine NCAA entries from the Atlantic Coast, Southern, Skyline and Yankee conferences, and perhaps the Missouri Valley, Border, Ohio Valley and Southeastern as well.

Ohio State won its 27th in a row with a hot-shooting (500) 97-74 breeze at Wisconsin, gaining position to nail the Big Ten title in a game against Michigan State

Johan Wants to Wear Small Gloves

MIAMI BEACH, Fla. (AP) — The city boxing commission may decide today whether Ingemar Johansson may wear six-ounce gloves in his March 13 bid to regain the heavyweight title he lost to Floyd Patterson.

Bill Fugazy, promoting the Convention Hall bout, said he would press the Swede's demand at the commission meeting. Six-ounce gloves, regulation in New York, were used in both previous Patterson-Johansson bouts. Miami Beach has a rule that eight-ounce mitts are to be used.

Patterson boxed only three rounds Sunday in addition to working out before a crowd of 600 in his hotel ballroom gym.

Johansson boxed seven rounds at Palm Beach before an outdoor gallery of 1,100.

Boston Almost Has 5th Title in a Row

By THE ASSOCIATED PRESS
The Boston Celtics' fifth straight Eastern Division crown in the National Basketball Association was all but assured today after the Celts lowered their magic number to two over the weekend.

But the remaining playoff berth in the Western Division is still up for grabs between Detroit and Cincinnati.

Boston won both of its weekend games, beating St. Louis 122-109 Saturday and leveling Detroit 113-99 Sunday. The two victories, combined with Philadelphia's 121-116 loss to Los Angeles Sunday means the Celtics can gain the Eastern title with two victories, a pair of losses by Philadelphia or a combination of the two.

Even with the Boston loss, De-

this Saturday.

Kansas State can clinch in the Big Eight tonight by winning at Nebraska against the club that upset Kansas 69-68 Saturday. Kansas State whipped Missouri 91-71 Saturday and the eighth-ranked Wildcats need win just one of their three remaining games to clinch the NCAA berth over third-place Iowa State or fourth-place Colorado. Second-place Kansas can tie for the title, but is banned from tourney play because of NCAA probation.

Texas Tech can make it by beating sixth place Rice tonight in the Southwest.

The Missouri Valley and the Southeastern races offer the brightest scraps for tournament berths. Third-ranked Cincinnati, gunning for a fourth straight Mo-Valley title, clinched no worse than a tie as the Bearcats won their 16th in a row with a 73-43 job on North Texas State in their final conference game. Second-place Bradley, which got past Tulsa 64-62, can force a playoff by winning at home against St. Louis Saturday. The winner goes to the NCAA, the runner-up — and possibly St. Louis, too — goes to the NIT.

In the SEC, Mississippi State is the leader at 10-2, after slipping past LSU 56-54, but because of the segregation issue will pass up the NCAA. That leaves it to Kentucky, Florida or Vanderbilt, all tied for second at 8-4.

The ACC and Southern stage tournaments to determine their champs and NCC entries. Seventh-ranked North Carolina, which knocked off sixth-ranked Duke 69-66 in overtime Saturday, finished the regular schedule on top in the ACC, but will pass up the tournament, which begins at Raleigh, N.C., Thursday, because of NCAA probationary action.

Ninth-ranked West Virginia is the No. 1 seed in the Southern Tournament opening at Richmond Thursday after winning its 12th in a row, 104-90 over George Washington.

U of A Wins Track Meet at Memphis

MEMPHIS (AP) — The University of Arkansas track squad topped the university team title Saturday in the Memphis Jaycee Indoor Track Carnival, beating runner-up Alabama 50-44½.

But Arkansas State Teachers College was edged by less than three points by Southeast Missouri State 51½-48 7-10 in the college division. Harding placed seventh of the nine college teams with 16 9-5 points followed by Little Rock University with 10.

Little Rock Central held a clean sweep in the high school division, winning three relays with the Tigers' Fred Rath being named the meet's outstanding performer over his college competition.

Rath soared to 6 feet 5 inches in the high jump, better than three inches more than the highest college or university effort.

Arkansas' Jerry Hughes took pole vaulting honors with a 14-foot effort.

In the college division Charles Oakley of Little Rock took the mile and 880. Another double winner was Harding's Lew Walker, who won the high and low hurdles.

Palmer Wins Baton Rouge Golf Meet

BATON ROUGE, La. (AP) — Arnold Palmer, who became the only triple winner on the winter tour with his repeat performance in the \$20,000 Baton Rouge Open, today headed for the richer fields of the \$30,000 New Orleans Open tourney which opens Thursday.

He was tied with Jackie Burke of Kiamesha Lake, N.Y., on the opening day, ahead by one stroke after the second round, by two strokes after three rounds and by seven at the finish on the strength of a 4-under-par 69 for a 266 total.

The victory earned Palmer \$2,800 and boosted his winnings on the tour to \$15,225.

Wes Ellis Jr., of West Caldwell, N.J., turned a 69 over the 6,700-yard Sherwood Forest Country Club course for a 273 total worth \$1,900.

There was a three-way tie for third place at 274 among Johnny Pott of Shreveport, La., Buster Cupit of Fort Smith, Ark., and Gary Player of Langhorne, Pa. Pott earned \$1,233 1/3, Cupit and Player each won \$1,233 1/3.

The first game of the day pits Amity (31-4) against Caddo Gap (22-10) in the B division. The A and B games will be alternated and the last one will start at 9:10 p.m. each night. The first round winds up Wednesday. Sixteen teams are in each meets.

No set of small high schools in the state's annals have as good a record against larger opposition. Nettleton, for instance, beat Class AA Jonesboro twice, and Jonesboro beat Big Nine champion Blytheville. Class AA Batesville trimmed Class AA Harrison.

There are no perfect records in either tournament, but Mena is 28-1, Nettleton is 36-3, Marshall 36-5, Valley Springs 37-5, Amity and Dyess 26-3.

Porkers Must Beat SMU to Stay in Race

DALLAS, Tex. (AP) — The Arkansas Razorbacks take on the so-so Southern Methodist Mustangs Tuesday night in a game they must win to keep alive hopes of a tie for the Southwest Conference basketball championship.

Their eyes will be on Houston, where Texas Tech can clinch the title by beating sixth-place Rice. Tech is expected to do just that, and the best the Hogs will be able to finish is second.

Even that is not a sure thing. They must beat SMU tonight, then trim Texas A&M in the conference windup Thursday night in Fayetteville. As of today, Arkansas and A&M are tied for second place with 8-4 records.

Texas A&M plays last — place Baylor tonight in College Station. Arkansas beat Texas Christian last week 96-76, then followed up with a 70-48 victory over Baylor. SMU is 6-6 in conference play and 12-10 for the season, but is definitely the underdog against the Razorbacks.

Arkansas' Clyde Rhoden is within 34 points of the 1,000-point career total, and he expected to go over the mark Thursday night against A&M. But he'll have to have a good evening against the Ponies.

The Hogs probably will start with Rhoden, Pat Foster, Jerry Carlton, Ronnie Garner and Larry Wofford, the sophomore who has showed up well in late-season games. Tommy Boyer, another sophomore, scored 19 points against Baylor and could get the fifth starting berth.

Foster has taken over the team scoring leadership with 317 points. Carlton has 307, Garner 228, Rhoden 227 and Boyer 210.

State A-B Tournament This Week

LITTLE ROCK (AP) — Some of the finest small high school teams in Arkansas basketball history begin a week-long melee today in the first combined Class A-A state tournament in Barton Coliseum.

Six games are scheduled today, three in each class. Before the tournament is over, 30 games will have been played in the two divisions. Semifinals are carded in both classes Friday night and finals are Saturday night.

This is the first time the Arkansas Athletic Association has tried putting the two tournaments together, and it looks like such a good idea, the meets may steal the thunder from the Class AA-A&M met in the same gym next week.

The first game of the day pits Amity (31-4) against Caddo Gap (22-10) in the B division. The A and B games will be alternated and the last one will start at 9:10 p.m. each night. The first round winds up Wednesday. Sixteen teams are in each meets.

No set of small high schools in the state's annals have as good a record against larger opposition. Nettleton, for instance, beat Class AA Jonesboro twice, and Jonesboro beat Big Nine champion Blytheville. Class AA Batesville trimmed Class AA Harrison.

There are no perfect records in either tournament, but Mena is 28-1, Nettleton is 36-3, Marshall 36-5, Valley Springs 37-5, Amity and Dyess 26-3.

There is also an abundance of individual stars. Nettleton's 6-5 Jerry Rook and 6-4 Jimmy Turman give their team as close to a favorite's role as anyone was willing to concede. Rook had a 30 - point average and Turman scored 18 per game.

One of the state's top rebounders is 6-3 Will Roy Lewis of Mulberry. And Billy Wood of Judsonia, a 6-1 floor leader, is an ace dribbler who dunks the ball with both hands.

Mulberry is the defending champion in Class A and has a good chance to repeat. Mena, which 4 games left while Detroit had 6 beat Fort Smith, the Big Nine.

In the other game Sunday, Sycamore beat New York 124-110 in a Jasper won the B tourney while Philadelphia won from Cincinnati 129-120 in Saturday's only other game.

Here are the first round

Waldo Takes State Class B Tourney

By THE ASSOCIATED PRESS

Paced by 12-point efforts by Terry Horn and Jerry Pickering, Waldo held off a late scoring surge by Manila to cop the Class A Junior Boys state basketball tournament championship Saturday at Manila 41-39.

In the Class B Junior Boys tournament Gosnell had an easy final round match and defeated Marmaduke 38-16 at Hampton. The tournament's most valuable player, Scott Baguley, scored 14 points to lead Gosnell.

Host team England, paced by a 31-point shooting spree by Linda Houser, who was voted the outstanding player, defeated Lavaca in the Class A Senior Girls tournament.

Viola took the Class B Senior Girls championship at Greenbrier 41-29 with an easy victory over Parkin. The meet's most valuable player, Carol Ann Watson, dropped in 29 points for Viola.

Waldo led most of the way in beating Manila but had a scare late in the game when the margin was cut to two points. Manila's Tommy Towles scored 10 points and was named the tournament's most valuable player.

Patsy Weaver scored 17 points in Lavaca's losing effort but was named to the Class A Senior Girls all-tournament team.

Fourteen points by Parkin's Patsy Thompson weren't enough to overcome Viola's wide margin but it earned her a berth in the Class B Senior Girls all-tournament team.

Bobcats Find Themselves Tied for First

By Vince Foster
Hope Star Sports Writer

A most deserving Hope Bobcat team became co-champs in 4AA with Smackover as of Saturday night. The Cats finished their season in Jones Field House with a 63-42 victory over Crossett and ended up with a 9-3 district record but the big important victory was over at Fairview, where the Cardinals upset the district leading Smackover Bucks 74-72 and knocked them into a tie with Hope.

Before Friday night the Bucks led the district with a 9-2 record and Hope and Fairview were tied for second with 7-3 records. For Fairview to tie Smackover in conference play, they had to beat Hope Friday and then take the Bucks Saturday. But the Cats took the Cardinals 63-57 Friday. Although Fairview normally would have been down for the game on Saturday since they had just lost their chance to be co-champs with the Bucks, the Cards came back to life and for the second time this year edged out Smackover while the Cats were beating Crossett, to place them in a tie with the Bucks — Thank you, Cardinals!

The top four district teams meet in a District Tournament to see which three will go to the state tourney. This is always held at the home court of the district champs. Since there are two district champs, the toss of a coin will determine the tournament location. Smackover won the toss and the tournament begins there Friday with Hope meeting Fairview and Smackover meeting Mulvany. The two winners will face each other, as will the losers on Saturday night. District championship trophies will be presented to both Smackover and Hope on Saturday night.

In the game with Crossett on Saturday the Cats had no trouble

as they took the Eagles 21 points although the second team played most of the game. The Cats led 18-11, 37-20, 49-26 and 63-42 at the respective quarters.

Eddie Fry led the Cats with 14 points. Glen Calhoun sank 12, Robinson 11, Murphy 10, Roberts 4, Arnett and Churchwell 3 each and Hooten and Hatfield 2 each. Crossett's ace, Johnson, who has a 16 point District Average, was held to only 2 points.

In the previous 7th and 8th grade game, the white team, coached by Foster and Greene, took the red team, coached by Wray, 21-15. The 7th graders played the first half and the 8th graders played the second. At halftime the Whites led 14-10.

Playing on the White team was 7th grader Ronnie Ingram, who was high with 13. G. Powell led 3, Billings 2 and McElroy, McGill and L. Powell had 1 each. Jordan and Ramsey sank 5 each for the Reds, while Strong took 4 and Ball 1.

As the Bobcats became co-champs Saturday night, there were only a handful of fans to cheer them on. Hope is indeed fortunate to have its Bobkittens district champs and state runner-up and also its Bobcats co-champs and possibly state champs. It is not too late to show your appreciation for the Cats. If you are proud of these fine championship Hope teams, follow Coach Billy Mitchell's Bobcats to Smackover and support them right through the state tournament.
